Rise TRYOUT Info: How to get started

What is All-star competitive Cheer?

All-star cheerleading is an inclusive sport open to all ages and genders. In this dynamic activity, athletes of similar age and skill levels come together to form teams. These teams are trained in a routine that encompasses stunting, tumbling, choreography, and dance elements. The length of the routine varies from 1 minute 30 seconds to 2 minutes 30 seconds, depending on the tier of the cheer team.

These routines are performed on a 54'x42' spring floor at both local and national events throughout the season. Here, teams showcase their skills and compete against other teams of comparable caliber, making each event an exciting and spirited display of athleticism and teamwork.

- 3rd** Check the tryout chart to see when your athlete is to come to their clinic and evaluation.
- 4th** When you come to the gym, all athletes will get a number that we will refer to when sending tryout placement results.

General Gym and tryout information:

- » During tryout clinics, athletes will be learning a short dance and briefly learn the rise way of stunting and tumbling.
- » ALL ATHLETES, AT ALL TIMES MUST WEAR SHOES. YOU WILL NEVER BE ON THE MAT WITHOUT SHOES. This is for safety and insurance purposes. We NEVER tumble barefoot and all athletes in the entire program must **ALWAYS** have shoes on while practicing at RISE.
- » Please have athletes wear **INSIDE** only cheer or tennis shoes (low sole cheer specific shoes preferred to prevent rolling ankles and better hand grip). They cannot wear outside shoes on the spring floor. The spring floor and tumble track are NEW and we want to keep it clean.
- » NO FOOD inside the gym unless directed by coaches, ONLY water is allowed past the lobby. No energy drinks or soda allowed. Cold, purified water is available at our fountain. At Rise, you are treated like a high caliber athlete and athletes have to **HYDRATE**. If you forget a water you can also buy one from the lobby for a \$1
- » Please have your athlete ready to go, ON TIME for anything they are signed up for (practice, camps, clinics and ESPECIALLY comp days). Unless otherwise directly, athletes can wear anything they are comfortable in at practice but RISE prefers black sports bra, black shorts and all athletes must have hair pulled back.
- » There will be a brief welcome introduction before the clinic.
- » No Parents are allowed inside the gym while classes are in session. Parents are welcome to stay in the lobby or outside. This is also for safety and insurance purposes. Surveillance cameras are ALWAYS filming 24/7 inside the rise facility. Many times you will see the lobby is dark. This is to help parents see into the gym area.
- » Season commitment levels will be different based on their age & tier.
- » Allstar competitive Cheer is a **year-round sport** - it begins in May and ends in May. We have a **strict attendance** policy to ensure our athletes are getting the most out of their experience in our program. We will be working with local middle and high school teams to try and make our schedule as efficient and effective as possible.
- » We do consider summer our slower time, however, a lot of important training for routines happens during this time, including skill building, stunt & pyramid training & routine choreography. Our attendance policy is less strict over summer, however, missing could effect an athlete's team placement & routine placement, so we encourage you to make practice a priority. All summer camps listed in fees are mandatory for your athlete.
- » Our competition season begins in early November & can extend through the end of April/early May.
- » Extra practices can be added throughout the season to better prepare the athletes for competition.

All parents/guardians will have to indicate what program their athlete is allowed to eligible to participate in.

At Rise Athletics we are very transparent about the financial and time commitment that this sport requires. Please do not allow your athlete to be placed on a team that you are unable to fulfil those commitments to. It is unfair for everyone involved and causes a lot of disruption in the program.

Most of the time we will have the athletes wear two Dutch braids or two Dutch braids half up half down. Parents don't you worry, big hair is NOT a requirement here. Hair is not scored on the score sheet. Wearing a hair piece gives athletes extreme headaches and causes a lot of anxiety for fear of it coming out. This is a hard sport. All Fundraising money and sponsorship money will be added to your athletes account and you will be able to see what you have and use it when you would like for the entire time you remain with RISE (Cheer credit will not expire as long as you're an active member at RISE). Cheer Credit can be used on the following

Cheer credit funds are forfeited upon leaving the program and are non-transferrable

Explanations of items on the fee list:

Team Sleepover:

Every season we do a team sleepover before school starts. These have always been a gym favorite! They earn team sleepovers throughout the season. They will have bonfires, water balloon fights, get to know each other, team bonding, karaoke, and lots more. Coach Julie would never sleep anywhere that was not clean and acceptable to do so.

We keep RISE extremely clean, organized, and bright!

End of the season Banquet:

After we end our 24/25 season, we do a BIG banquet for all those involved. Athletes dress up and we rent a local venue. Athletes will dance, eat, and get all kinds of different awards. Parents and family are welcome but will have to pay additional for them.

All Skills and choreography Camps:

Dates will be on calendar page. If they are listed in the fees, they are MANDATORY to your athlete. We RISE ABOVE your normal standard of strength and conditioning. We train the **RISE WAY**.

Safety is our PRIORITY. The only way for athletes to be successful in this sport is to stay healthy, free of injuries and be flexible and strong. During these camps, athletes will be pushed to reach their greatest potential and RISE ABOVE all LIMITATIONS!

TRYOUT AND CLINIC DAYS:

Clinic Days and ages	May 7th	May 8th	May 9th	May 10th
4 and 5-year old's	5-6pm Clinic		Evaluations 5-6pm	
6-11 year old's	6-8pm Clinic		Evaluations 6-8pm	
12 to 19 Year old's		5-7pm Clinic		Evaluations 5-7pm

Athletes **MUST** come on the day that represents their age. It does not matter the skill level at this point

IMPORTANT

The number your athlete wears to evaluations will be the number that you will look for when the evaluation groups get e-mailed.

RISE REVEAL

When: WEDNESDAY MAY 22nd, 2024

Time: 5:00pm-7:30pm

This is when Athletes will come and find out what team they will RISE on this season!

Team placement is preliminary and a Rise starting point. There will be a lot of strategic team assignments and re-assignments that take place over summer.

Athletes are placed where we feel that they will be the most successful.

(SIDE NOTE) If change is something that really ruffles your feathers, then All-star cheer is not the sport for you. At Rise, we are constantly analyzing our competition and our teams to make sure we are always a step ahead. For this reason, change is common and you must be willing to adapt and change quickly in this sport.

ADDITIONAL INFORMATION

Rise strives to make sure that we communicate and stay transparent with everyone involved. It takes countless hours to get the information together and out to everyone. We ask that you **read ALL information** before you decide to email us questions.

If you do not understand something we are happy to help. But there is a difference between the two.

Rise Athletics does not allow the re-use, duplication of our logo or name on any personal items. We pay for the rights to our logo and it is trademarked.

If you have a request, please get approval from Rise Staff.

We do not gossip about other gyms or athletes at RISE Athletics. If you are at RISE, you are ready for a positive change. Changing the mindset starts with leadership! Positive attitudes breed positive results!

LET'S RISE!

WHO is RISE Athletics and Where are you from?

RISE Athletics was established not only because we love this sport but more importantly, we love Jesus Christ and want our athletes to see the character of Christ in them. That character is the RISE STANDARD of behavior that Branden and Julie Ledbetter demonstrate and expect from athletes and parents at Rise Athletics.

Kali Seitzer will be our RISE coaching consultant.

Branden and Julie Ledbetter met in 2006 at Western Michigan University and got married in 2011. Julie has cheered competitively from age 10 and has won countless state and national titles. Coach Julie was a college cheerleader at Western Michigan. Branden and Julie have two children, Madisyn and Noah. Coach Branden played football at Western Michigan University. Coach Branden is responsible for Our RISE strength and conditioning program as well as our financial director.

The Ledbetter's are the former owners of Rock Solid athletics in Henderson, Colorado (now renamed Rock Cheer Company). Rock Solid started with Julie's passion for youth and cheer. Season one we hit the mat with 30 athletes and grew to over 150 athletes by season four. Rock Solid was the highest scoring D2 gym in the state of Colorado. Rock Solid has won hundreds of in state and national titles. The Ledbetter's established both Rock

Solid and now, RISE, with the purpose providing a safe, FUN, affordable, highly competitive, quality gym that gives all youth athletes an opportunity to feel validated, excited, and inspired to RISE to their greatest potential. Coach Kali lives in Miami, Florida and is the current Director at TOP GUN Miami

(the real Top Gun). She will be dedicated to remotely overseeing RISE Athletics youth development on Elite teams and providing tune-ups when needed. She will be available to Rise Athletics Coaches via zoom and facetime at all times.

Coach Julie and Coach Kali will be overseeing ALL Rise Athletics 24-25 teams, classes, camps, and clinics. They have a proven track record of success working together at Rock Solid and want to continue that success now here in Tennessee. Coach Julie and Coach Kali are 100% confident that together they will take your athlete to the next level. They will work cohesively together to make sure our athletes grow and progress

the **RISE WAY!**

The Ledbetter family relocated from Colorado to Tellico Plains, Tennessee for Coach Branden's new job in 2020. After being here for some time they realized that the love they had for their old athletes and gym can be poured out on the youth here. With lots of prayer and needing God to move mountains for this happen,

RISE ATHLETICS was born.

Things to Know Before joining RISE

Being a part of our program requires athletes & parents to show good sportsmanship, polite manners, kindness & respect at practices, competitions and in our lobby. Gossip, drama, or continued bad behavior will lead to dismissal from our program. Punctuality is important to us.

Please arrive on time to practices, competitions or any scheduled event.

Once practice wear arrives, we have a set dress code for practices & specific attire for competitions. It is your responsibility to wear the appropriate attire.

- » Hair color must remain a natural color during the competition season-no red, blue, purple, pink, etc.
- » Jewelry is not allowed on during practices or competitions. Please refrain from getting a new piercing during the competition season. Nails must be kept trimmed short and absolutely no fake nail extensions.
- » Social Media posts that are a poor representation of Rise Athletics may result in suspension or dismissal from our program (athletes and parents), especially including the Rise name or logo in post. This includes talking about other gyms publicly on social media in a negative manner.
- » During practices, personal items should be left with parents or near the cubbies. Please do not leave items at the gym. We are not responsible for lost or stolen items. We will establish a small lost and found where lost items will be donated to goodwill after 30 days

- » Remember to only approach coaches at an appropriate time (this time should usually be scheduled)
During classes or practices is not an appropriate time!

Athletes can be moved up or down teams based on their skill set throughout the season. Practice times can be changed or added throughout the season.
- » **Only Athletes & Coaches are allowed in the gym area.** Parents should stay in the lobby unless invited into the gym. Access to gym area will be locked. It is the parent's responsibility to know what is going on with the team. Please check our Facebook group & your email/BAND App regularly for updates.

- » There will be **no refunds** if an athlete quits after choreography camp.
- » Contracts for the 2024-2025 season will be signed electronically via docusign after teams are established.

Beginner athletes are always welcomed as we want to train you from the ground up...**the RISE** way!

We are confident that you will have a positive experience with our program. Our goal is for athletes to grow to love cheerleading the way we do. Our staff is here to develop your athlete into the best competitive cheerleader they can be.
